STUDENT EVALUATION FOR THE SUBJECT AND TEACHING-Faculty of Physical Education and Sport-2023/2024-

"perfect	teacher"
----------	----------

her watch has been very attractive where we also had conversations between colleagues and the professor in her class I felt free, we each expres	ssed our opinions and it was very good
more tolerant nothing more strict in class	
we had it in the first year as well, it is the same professor whose class is very complicated than the most difficult lessons, but from his hard work	the tries to explain it to us as easily as possible so that we can u
he is a very regular professor and his class is very attractive, the syllabus is explained in the best way and the language is understandable, we can ask him a	is many times as we want about something that I have not understood
no! to participate in practice in the demonstration of techniques.	
His class is very active, and very good, the professor explains very clearly and clearly, we are free to ask several times about them that we did not	ot understand, I am very grateful to continue the same!
let me continue the same, it's perfect! no, the professor is correct, no expert professor, I have not learned swimming No thanks	
I have only positive comments about the subject and the professor where everything is fine, I have many good comments about the professor ar	nd the subject where he is very attractive and good
only positive comments about the watch, everything is fine everything is fine jp no no very bad at all for d	kd kx dj thank you for your work
no scheme nice very good good no! there is no room for comments or suggestions! amazing. the practical part should	d be at least twice a week! b n you 10
v 0 not to force the students to speak in class and to get great points from the class activity, because someone only wants to listen and r	not necessarily speak.

no I do not have! everything is level the subjects are very good, it's nice that most of the professors send us the literature	
to have more discussions with students about the topic, very useful, good jio p , No, I don't have any.	
I would like the duration of the hour to be extended as it seems a bit short for this subject (theoretical part).	
I would like the class to be shortened since the material is very simple and there is not much material for this subject to have more material.	
to extend the hours more and have more discussions.	
yes, the professor of the subject should be changed without crying because it is a very important subject and this professor simply does not know	how to explain this subject
the subject has always been kept in order the subject is necessary for our profession	
the subject has an undys been hept in order and subject is necessary for our profession the subject has been in	deal for my future profession
the professor has high knowledge of the subject the professor has been regular with lectures the subject is necessary for my profession, perfect, no

is one of the professors to take as an example!	is very capable of the work he does in the way of inte	lligence, communication with the stu	dent, everything, respect!
good, but I hope it will be done more prospectively as far as the theoretical side is o	concernegood professor, I hope to continue with this	s pace, why not even better.	
good attitude towards the professor, I hope you will do your best	good professor, I hope it becomes even better	good teacher but I still have to work	k hard super good good
best not bad the most correct professor in the faculty very good	d professor and very organized good beautifi	suitable for students	
one of the most skilled professors in the faculty, very skilled in his pro	fession, respected! very clear during presentations	;	
for the subject he owns, he is very capable, understandable, orderly, an	nd a great worker. respect! one of the most inte	elligent, most capable, most underst	tanding professors of all.
the professor is capable, clear, very good in teaching, very good and w	ve are grateful that she also held the practical part v	with us	
very good and we thank him for holding the practical part with us o	1 good impression, very good,	they are high-level teachers	organized professor
very professional. good			
he is skilled in his subject but he doesn't give much importance to the	subject in theory. As for practice, I appreciate him a	a lot because even though he has hi	is assistant, the professor is never at
He is one of my favorite professors. His explanations are very good. He	e has always been neat and fair, and activity and er	ngagement in class have never been	lacking.

everything was fine! Have a good afternoon! good thought

good impression I'm very good at being open with students

STUDENT EVALUATION FOR THE SUBJECT AND TEACHING-Faculty of Physical Education and Sports-2023/2024-

professor who respects his profession "an example for others" professor who respects his profession "example for others" Very fine OK good professor!
very good impressions! example of how a professor should be! very good impressions, a good example for me as well, how I should be in the future. very good!
very good! among the most distinguished in the work and professionalism they dedcellent, I have a good impression, I think everything is fine that's bad
very good mine very good EXEMPLARY good ib g very good scheme thanks for his work dj kd p too bad
he is the best professor in the average faculty I have very good impressions for a teacher like this, where everything is on track and good for lessons.
The teacher gives me a lot of good impressions, where he always brings positive energy and the teaching is at a professional level
very good impressions as the professor is always regular and the explanations are at a professional level with more commitment and very clear afternoon good not too bad
complete professor, no good grading, I liked the way of grading, very good and keeps order in the class, good teacher and understandable for the students
lack of attractive topics understandable, it is a motive for every student and there is an explanation 10/10 Mr. The finish is perfect, brilliant, brilliant
The teacher helped us to understand the subject more easily positive impression. very good positive impression.
the teacher helps us by simplifying the subject to make it easier to understand the teacher helps us in the theoretical part to simplify the work in the practical part even easier
very good impressions. positive impression!
I have a very good impression because the professor taught us how to manage sports facilities and also taught us about other areas of life.
the teacher's impression was his sincerity and discipline, teaching us about sports recreation and sports fields and activities in general.
good impression in holding lectures, but negative impression in holding exercises. the most superior professor in the faculty in all aspects, positive impression.
very good impression because the same teacher taught us the theoretical and practical part, and we had an easier time understanding the sport of swimming by reading and watching in class and
very good impression because the professor in question is very sincere and is a great connoisseur of sports and helps us a lot for our profession.
very good impression because every lesson we had debates and with debates it is easier to understand the subject. very very good very very good "perfect teacher"
good impression good very good order to be more open with students more openly with students than to be open with students the best professor our faculty has
an honor of the best
